SUMMARY

Detail-oriented **Data Analyst Intern** pursuing BCA (2023–2026) with practical experience in working on **real-world datasets** using **Python, SQL, Excel, and Power BI**. Skilled in **data cleaning, exploratory data analysis, and data visualization** to extract meaningful insights. Seeking a Data Analyst Internship to support data-driven decision-making.

TECHNICAL SKILLS

Languages: Python, SQL

Libraries: Pandas, NumPy, Matplotlib

Tools: Excel, Power BI, MySQL, VS Code, Git/GitHub

Machine Learning: Supervised Learning, Classification Models, Logistic Regression, Model Evaluation

Other: Data Cleaning, Data Visualization, Exploratory Data Analysis, KPI Analysis, Data Reporting, Analytical Thinking

PROJECTS

Amazon Sales Data Analysis

Tech: Python, Pandas, NumPy, SQL, Excel, Power BI

- Performed data cleaning and preprocessing to improve data quality.
- Applied data preprocessing and analytical techniques to identify patterns and support decision-making.
- Conducted exploratory data analysis (EDA) to identify sales trends and KPIs.
- Built Power BI dashboards to visualize performance metrics and business insights.

Customer Churn Analysis

Tech: Python, Pandas, NumPy, SQL, Excel, Power BI

- Performed data cleaning and preprocessing on customer churn data, including handling missing values, correcting data types, and removing duplicates.
- Conducted exploratory data analysis (EDA) to identify key churn drivers such as contract type, payment method, and monthly charges.
- Analysed customer behaviour patterns and translated findings into actionable business recommendations to improve retention.
- Built an interactive Power BI dashboard to visualize churn rate, contract-based churn, payment behaviour, and pricing impact.

5-Year Stock Performance & Risk Analysis

Tech: Excel, Python, Pandas, Data Visualization

- Conducted multi-year risk analysis to evaluate stock performance and volatility
- Calculated performance metrics such as variance and returns.
- Visualized trends using Python-based charts for analysis.

EDUCATION

Intermediate Science (PCB), CBSE (2022-2023)

Bachelor of Computer Applications (BCA), Maharshi Dayanand University, Rohtak (2023-2026)

CERTIFICATIONS

Data Analytics – Deloitte

OCI AI Foundation – Oracle

Generative AI – Google, Oracle

Communication Skills – TCS

STRENGTHS

Problem Solving • Fast Learner • Logical Thinking • Discipline
